What is SALTO-YOUTH?

Established in 2000, SALTO-YOUTH is a network of eight Resource Centres working on European priority areas within the youth field.

As part of the European Commission's Training Strategy, SALTO YOUTH provides non-formal learning resources for youth workers and youth leaders and organises training and contact-making activities to support organisations and National Agencies within the frame of the European Commission's **Youth in Action** programme and beyond.
